Absence

If your child is unable to attend school due to illness please email (or telephone) the school office (secretary@lalehamlea.co.uk).

Children should not return to school for 48 hours after the last bout of vomiting or diarrhoea.

If a child has a contagious illness (Chicken Pox, Scarlett Fever etc.), they should remain at home and the school should be informed immediately. Return to school is not permitted until the incubation period has passed and the child is recovered.

If children have medical appointments during the day, Parents should inform the class Teacher via email, copying in the school office in advance of the appointment giving as much notice as possible.

Parents will be notified if a child is taken ill at school and will be asked to collect their child if the Head Teacher thinks that the child should go home.

Accidents/First Aid

Most teaching staff, along with the School Secretary are Paediatric First Aid trained. All bumps, bruises, cuts and grazes will be dealt with by a Paediatric First Aider. All accidents are recorded in the Accident Book. For minor injuries, once treated, children will carry on with lessons as normal and Parents will be informed at the end of the day.

For all head injuries, a Head Injury Form will be completed and sent home informing Parents of the circumstances in which the injury occurred and the treatment received.

If a more serious accident should occur (broken bone etc.) then Parents will be informed immediately.

Allergies/Dietary Requirements

The School should be informed of any allergies and dietary requirements on the Confidential Health Form given to all Parents when a child enrolls at Laleham Lea. Please ensure our records are kept up to date and inform us of any changes to this.

If your child requires medication for their allergies (Epi Pen etc.) then you will need to fill in a Medication Request Form, granting us permission to administer any medication/s.

We are a NUT FREE SCHOOL and as such all nuts, biscuits/cakes/spreads and sauces which may contain nuts are not allowed in school.

Anti-Bullying

Bullying, harassment and victimisation and discrimination will not be tolerated. We treat all our pupils and their Parents fairly and with consideration and we expect them to reciprocate towards each other, the staff and the school. Any kind of bullying is unacceptable. This policy applies to all pupils in the school, including those in the Early Years Foundation Stage.

Appointments

Class Teachers and the Head Teacher are happy to meet with Parents to discuss a child's progress, welfare or any other matter of concern. Please contact the School Office to make an appointment.

Aqua Sports

Year 5 pupils attend an Aqua Sports programme in the Summer Term in Merstham. More information and permission slips will be sent to Parents during the Spring Term.

All School Bags are available from the School Office. Nursery children require a Book Bag (£4.50). Reception and Year 1 children require a Book Bag and a PE Bag (£6). From Year 2 Children also require a Ruck Sack (£16.50) and older children can also purchase a large Sports Bag (£21).

Behaviour

The school expects every member of the school community to behave in a considerate way towards others. We treat all children fairly and apply our Behaviour Policy in a consistent way. Our Behaviour Policy aims to help children grow in a safe and secure environment, and to become positive, responsible and increasingly independent members of the school community.

The school rewards good behaviour, as it believes that this will develop an ethos of kindness and cooperation. The Behaviour policy is designed to promote good behaviour, rather than merely deter anti-social behaviour.

We expect the support of Parents in promoting our high standards in all aspects of the school, including that of good behaviour. For more information on this please see our full Behaviour Policy.

Blazers

Blazers are an essential part of the school uniform from Year 1 upwards. Children are expected to wear these on their way to and from school.

Break Time

Morning Break is from 10.35-10.55am. Children should bring a healthy fruit snack for Break Time. Nursery, Reception and Year 1 children eat their fruit snack in the lunch room before going outside to play. All other year groups are allowed to take their fruit outside.

C

Child Welfare

Laleham Lea is committed to providing a safe and secure environment for pupils, staff and visitors and promoting a climate where pupils and adults feel confident about sharing any concerns which they may have about their own safety or the wellbeing of others. We aim to safeguard and promote the welfare of children by protecting them from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

Christmas

Nursery, Reception, Year 1 and Year 2 all perform their own Christmas productions which Parents and family are welcome to attend.

The Junior Christmas Carol Concert takes place in the John Fisher Chapel with Years 3-6 taking part.

Clubs

There is a wide variety of lunch-time and after school clubs for pupils to take part in. Club lists and sign-up sheets are emailed to Parents at the beginning of each term. No clubs run in the first week of any term.

Communication

The weekly school Newsletter is the key document for all school information and dates for you diary. Class Teachers' email addresses are published in the Newsletter to enable Parents to contact their child's Teacher directly if they should need to. Please be assured that Teachers will respond as soon as they can, but understandably, teaching your children comes first, so responses may not be immediate.

Complaints

If any Parent is unhappy with the education that their child is receiving, or has any concerns relating to the school, we encourage that Parent to talk to the child's Teacher immediately. The sooner we know about concerns, the sooner we can deal with them.

We aim to be fair and honest when dealing with any concerns or complaints. We give careful consideration to all complaints and deal with them as swiftly as possible. We aim to resolve any complaint through dialogue and mutual understanding. In all cases we put the interests of the child above all other issues. We provide sufficient opportunity for any complaint to be fully discussed and then resolved in accordance with our Complaints Policy. Where a Parent feels that a situation has not been resolved through contact with the class Teacher, or that their concern is of a sufficiently serious nature, they should make an appointment to discuss it with the Head Teacher who may require the complaint to be put

in writing. The Head Teacher will deal with the complaint and investigate each case thoroughly according to our Complaints Policy. Most complaints are normally resolved at this stage.

The Head Teacher will log all complaints and keep a record of how they were dealt with. These written records will indicate whether complaints are resolved and at which stage they are resolved at. Please see our Complaints Policy for more information or contact the School Office.

Contact Details

Please ensure the contact details that we hold for you (home address/phone/mobile phone/email) are kept up to date so we are able to contact you in the case of an emergency.

Curriculum

At Laleham Lea, we offer a broad and balanced curriculum, concentrating not only on the core subjects of English, Mathematics, Science and Religious Education; but also Spanish, History, Geography, Music and Drama, ICT/Computing, Games/PE and Art and Design. A modern Foreign Language is studied from Nursery to Yr. 6.

Religious Education at Laleham Lea is at the heart of the curriculum, enriching and informing all other areas of learning. Infant assemblies are held once a week and Junior assemblies twice each week. Mass is celebrated in the John Fisher Chapel or in school and Liturgy is regularly held in The Long Room.

Great emphasis is placed on Music and the Performing Arts. Instrumental concerts are held throughout the year allowing children to perform publicly, both individually and as members of a group. From Nursery to Year 6 children are encouraged to sing and to enjoy music.

From Year 3 to the end of Year 6 the recorder is taught progressively. Peripatetic staff give individual tuition in a variety of instruments including clarinet, violin, organ, cello, flute, oboe, brass instruments and guitar. Children who learn an instrument take part in school musical activities, church services and school concerts and are entered for public examinations when they have reached the required standard.

The Nursery and Infant classes perform annual Nativity and Summer Musicals. The Junior Students stage an end of year summer production led by Year 6 Students.

The school Choir regularly performs with success at local festivals. Sport also plays an important part in the curriculum. Sports on offer at Laleham Lea include Swimming, Rugby, Tag Rugby, Soccer, Netball, Swimming, Tennis, Table-Tennis, Hockey, Cross Country, Athletics, Cricket, Baseball, Basketball, Gymnastics and Ballet. Both boys and girls compete successfully against other schools in the Maintained and Independent Sector in many of the above sports.

Curriculum Evening

Early in the Autumn Term we host a Curriculum evening for our Parents to come and meet our Teaching staff, experience life in the classroom and listen to the Curriculum that will be followed over that Academic year.

Our Nursery is open Monday to Friday during the school term and follows the school holiday calendar. Your child is eligible to attend the Nursery Class from his/her third birthday.

Following a review of our Early Years Foundation Stage provision, we are extending the school hours for Laleham Lea Nursery from September 2018. Our Nursery opening times will be from **8.30am** to **3.30pm** Monday to Friday during term time.

In order to provide the best possible experience for our children and prepare them fully for transition into our Reception Class, we will be offering full day sessions with a minimum of three days attendance.

With our new sessions in place Nursery children will enjoy a varied day which includes all areas of the EYFS Curriculum including ICT, Spanish, Music and Movement and Phonics as well as exploring the new Sensory Garden and amphitheatre. Parents will be able to keep fully up to date with their child's progress via our new 2Simple Parent Portal. Children require a fruit snack, drink and healthy packed lunch.

The Nursery Class provides a safe, friendly, happy and stimulating environment. A close partnership with Parents is promoted and the Nursery Teacher is available before or after each session to talk with Parents. Nursery Fees are payable in advance at the beginning of every term. Regrettably, fees cannot be refunded for absences or sessions granted in lieu. A term's notice in writing is required for the cancellation of any sessions. In the event of this not being received, a full term's fees will be charged.

Reception

Our Reception Class provides a welcoming, supportive, and stimulating environment, where children are given equal opportunities to develop and learn, in a way and pace appropriate to them as individuals. During their time spent in the EYFS, children will be following the Early Years Foundation Stage framework (EYFS) achieving the Early Learning Goals by the end of the Reception Year.

The Early Learning Goals set high expectations in the related areas of learning and at Laleham Lea we aim to meet the diverse needs of all children so that most will achieve and some, where appropriate, will exceed the goals by the end of the Reception Year. The aims of the curriculum are to help develop the whole child and to secure the foundation for happy, confident, well-adjusted, independent and educated individuals. Children will be encouraged to explore, question, reason and communicate – also to express their ideas and feelings through Music, Drama and Imaginary Play. At Laleham Lea, Religious Education is given priority; it pervades the whole ethos of the life and work of the school. Our pastoral support provides warmth and encouragement to nurture each and every child.

Eleven Plus (11+)

From Year 3 to Year 6 Pupils are expected to attend 30 minutes 11+ Prep on a Monday evening from 3.30-4pm. Mrs Uberoi also runs an Accelerated 11+ Maths Class on a Friday evening from 3.30-4.15 for invited pupils only.

E-Safety

Technology and communications are rapidly changing and becoming more sophisticated. With this change come new ways of being unsafe and feeling threatened. E- Safety has become a very important issue which it is essential to address in school throughout different areas of the curriculum to ensure that all children and adults remain safe and in control when using technology. This could be either using mobile telephones or computers or other mobile devices with access to the internet.

As a school we aim to help every pupil and adult to:

- Feel safe and confident when using new technologies.
- Know who to speak to when they are unsafe.
- Know how to report any abusive behaviour.
- Know how to use the internet correctly, without misuse.
- Stay in control and keep personal information private.
- How to take the necessary measures to block and delete accounts, messages and people.

Children are taught E Safety in classes and ICT lessons. Parents are also advised on E Safety at our Curriculum Evening with reminders in our Newsletters.

Ethos

At Laleham Lea we firmly believe in putting the child at the centre of everything we do. From the warm welcome as you walk through the door in the morning to the playground where all ages play, run and socialise together as one happy family. Bright, light filled classrooms and enthusiastic, experienced Teachers engage your minds' thirst for knowledge, helping each developing individual to reach their full potential and ultimately move on to the school of their choice. We are a Catholic School where kindness and care for each other comes first.

F

Fees

Fees are due no later than the first day of each term. One term's written notice of withdrawal of a pupil is required; the school contract does provide for a full term's fees in lieu of the requisite notice. Please contact the Bursar at the school if you require any further information.

Our Local Authority provides funded places within the Nursery and Reception Class for all children aged 3 to 5 years. Funding commences on the first day of the term following the child's 3rd birthday and ends on the last day of the term in which the child has his / her 5th birthday.

Mass is celebrated in the John Fisher Chapel.

Guided Reading

As well as regularly reading with their Class Teacher children from Reception upwards also participate in Guided Reading, which helps children learn to use Independent Reading strategies. Holidays

School term dates are made available to Parents in advance of the beginning of the academic year. All family holidays should be taken with the official school holiday periods. We are not able to authorise any holidays taken within term time, no matter how much notice is given. If the number of unauthorised days taken by any family exceeds reasonable limits, we are obliged to inform our local council.

Homework

From joining in Reception children will be expected to complete a certain amount of Home Work each evening to ensure they get into good habits. For more information on how much homework your child should be doing, please speak to their class Teacher. Your support at home creates an important partnership to support your child/children.

From Year 2 upwards pupils will be tested regularly on their times tables. Learning them is a key part of their homework.

Toys

Except for 'Show and Tell' days (where they should be kept in book bags), no toys, collector cards or games, fidget spinners etc. should be brought into school for any reason

Travel

The school mini bus is used for swimming, sports fixtures and local trips. Parents are asked to sign a form giving permission for their child to travel in the bus for these events when they join the school. For other school trips we may hire a coach and Parents will be informed and asked to give permission when this is the case.

Trips

Various Educational Visits take place throughout the year to help support the Curriculum and enhance children's learning. Trips have included Hampton Court, The Polka Theatre, Butser Farm and The Houses of Parliament. Parents are informed in advance and asked to return the relevant permission form with payment for the trip. All children must be in full school uniform when on school trips and take a packed lunch and water bottle. For our Offsite Educational Visits Policy, please contact the School Office.
