Dear Parents

Our Year 6 Pupils led assembly on Tuesday with a dramatization of the Feeding of the 5000.

Unfortunately due to the icy weather this week, Canon Frank was unable to join us for Liturgy on Wednesday; we hope to see him as soon as the weather improves.

Many thanks to you all for getting your children here during this cold snap and to all our Staff for braving the weather. A special thank you also to Mr Agothocli

who has done a great job in keeping the pathways and drive gritted and ice free this week.

Hopefully we have seen the worst of the snow and ice, but if school does need to close due to inclement weather then notice of this will be put on the homepage of the school website by 7.30am.

This week Mr Grayson has been holding auditions for musicians who wish to take part in the Easter Concert. Good luck to all of those who attended the auditions, Mr Grayson will be

letting everyone know their parts next week.

Next week we are taking part in Safer Internet Day which takes place on Tuesday (Feb 5th).

Whilst Internet safety runs throughout the curriculum at Laleham Lea, we will be taking this opportunity to remind pupils about the importance of staying safe online.

Wishing you a lovely weekend.

Ms Barry

Spiritual Reflection

Luke 9:10-17 Jesus Feeds the Five Thousand

Late in the afternoon the Twelve came to him and said, "Send the crowd away so they can go to the surrounding villages and countryside and find food and lodging, because we are in a remote place here."

He replied, "You give them something to eat."

They answered, "We have only five loaves of bread and two fish—unless we go and buy food for all this crowd." (About five thousand men were there.)

But he said to his disciples, "Have them sit down in groups of about fifty each."

The disciples did so, and everyone sat down. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke them.

Then he gave them to the disciples to distribute to the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over.

Internet safety is taken extremely seriously here at Laleham Lea. Once again we will be taking part in Safer Internet Day which will this year will be celebrated globally on Tuesday 5th February 2019 with the theme: Together for a better internet.

Internet safety is continuously weaved throughout the Computing Curriculum here at Laleham Lea for each year group. In addition to this, to highlight the importance of Safer Internet Day, each year group will be given an age appropriate presentation and relevant activities to help them stay safe on the internet during their Computing lesson next week.

The UK safe Internet Centre www.saferinternet.org.uk/advice-centre/parents-and-carers is an excellent resource to help you keep your child safe online.

When it comes to gaming—we are aware of the popularity of games like Fortnite and would remind Parents to keep in mind the age-appropriateness of such games. If you are in any doubt about the suitability of a game for your child, the website www.common sense media.org is an excellent guide to not only games, but apps and other media too.

If you have any queries about the Internet Safety Day please contact Mr Grayson via middleteacher@lalehamlea.co.uk

A reminder to please not block the school drive or park on the Double Yellow lines outside school. There is plenty of parking available a short walk away on Peaks Hill Rise or further down Peaks Hill.

The Double Yellow lines are there to provide extra visibility for children and parents when crossing the road outside school. Please do not compromise our children's safety by parking inconsiderately.

As part of their Geography work Year 4 have been looking at the import and export industry, where things come from and textiles. Pupils were encouraged to bring in any examples of traditional clothing from other parts of the world.

Year 1 have been looking at Toys from the Past as part of their history topic. Archie brought in his

Great-Grandad's teddy bear and Evie brought her Daddy's bear to show to the class.

Awe and Wonder

For 'Awe and Wonder' session this week Nursery have been reflecting on the topic 'Jesus loves children'.

As a group we explored our Early Learning Statement; Know that Jesus loves little children. Think of ways to be kind and helpful to others.

Viewing a picture for visual aid the children asked questions and gave examples of kindness. They were able to share some of their own experiences. They then listened to song called 'Jesus Loves Me' and discussed how the song made them feel. This was followed up with a story called 'Guess how much I love you' by Sam McBaratney.
