Football report—By Mr Judge

On Saturday, we took two teams to the annual Margaret Roper Catholic Schools 5-a side-competition.

Our B team was represented by Freddie, Ruben, Deji, Jide, Joshua and Hasan and did fantastically well in a very tough group. They managed to draw one game but lost 4, (2 of these games were against a semi finalist and the eventual winners -more about them later).

Our A team consisted of Mattheos, Aayan, Ollie, Rok and Earl and again they were up against some very strong sides. Starting off with 1-0 wins against St Aidan's and St Cyprian's, we were then desperately unlucky to lose to St Mary's. Within these games was a definite goal of the tournament contender from Earl with a fantastic long range volley.

A comfortable 3-0 win over Thomas Becket C Team meant a win against their A team would see us progress through the group. Despite going 1 goal behind the boys fought gamely to come back and win 2-1.

The Quarter Finals paired us with Margaret Roper A who had beaten our B team, this team has won the Croydon Schools Cup and Small Schools Cup already this year and had four boys who play for professional academy teams, so we knew we had to be on top form.

An unbelievable hail shower came down just before kick off with players, coaches and parents running for cover. With a now soaking wet pitch, we took to the field and despite a fantastic effort lost 3-0. The Margaret Roper boys certainly knew they had been in a game and they then went on to win their semi final and final comfortably.

So, it was a great day out despite the weather and the boys were in fantastic form always giving 100%. Many thanks to all the parents that came to support, it was the best turn out of Laleham Lea support I have seen in my 6 years attending this tournament.

Nursery News

This week Nursery have been focusing on the topic of 'Recycling'. The children enjoyed participating in a variety of activities to reinforce their understanding. Using a range of recycled materials some of the children created their own musical instrument and looked at different ways of changing sounds. As a class we have also been discussing about the Ocean and used examples of how rubbish and litter can affect our planet. The children took part in a 'Recycling sorting' activity and enjoyed categorising different materials into the correct box.

Year 4 pupils thoroughly enjoyed their Bikeability training on Tuesday. The course covered the basics of road safety as well as bike maintenance and control

Max said: "I personally think that Bikeability is really fun with lots of games. The coaches are really good and know everything about cycling. You can bring an off road bike or a road bike, it doesn't matter. Before we started they taught us a fun way to get your helmet on properly and check you bike. I think that it's awesome!"

Imogen said: "Bikeability was really fun. We learnt how to use all our gears and played some really fun games. It was the best! The instructors were really nice and they taught us so much. Thank you Bikeability!"
