Dear Parents

What a fabulous time we all had at the disco last week! A huge thank you to all the Parents and Staff who helped to make the event such a success. We raised over £400 in total with a further £80 from own clothes day adding to the terrific total for the PTA fund.

Year 4 have written their own news reports from the night which you can read in this newsletter.

Students thoroughly enjoyed the 'Money Sense' workshops with volunteers from Natwest on Monday. Activities included 'Planning a Party' and running a 'Smoothie Stall' which help to build Student understanding of money and business as part of their economic education and well being.

Canon Frank joined us on Wednesday for Liturgy with the Infants where he discussed 'The Mysteries' and all

the questions we can ask God.

Next week raffle tickets will go on sale for our 'Christmas Hamper Raffle'. Ms Hogsden is busy getting the hampers ready which will include prizes from Cladish, Holiday Activity Club vouchers, Handbags, Toys and other goodies. If any Parents would like to donate prizes for the raffle, please bring all donations to the school office as early as possible next week.

We have already had two Parents volunteer to join our Laleham Lea lecture programme in 2020. Once we have enough volunteers we will put together the lecture programme to inspire our Students.

I hope you all enjoy a lovely weekend with your families.

Ms Barry

The school Disco happened on the 15th November at about roughly 3:30-5:30 and it was a great success.

Some details from the event, is the fact that DJ Captain Fantastic was actually truly fantastic!

I am saying this because he played some great games with the children and he lifted their Spirits persuading them to dance the night away.

There was also juice cartons =50p, crisps =50p hotdogs =£2.50, glow sticks =1.00 and glow brackets =50p or three for £1.

Some people who attended said "I liked watching the groovy moves and it was a fun infested afternoon."

We should have more events like this because it is great fun for the children and for the adults who were watching the great entertainment.

Nursery News—by Miss Hogsden

This week Nursery have been looking at the topic 'Mixing Colours' and the children enjoyed participating in a variety of activities to reflect their understanding.

Working in small groups they used food colouring and pipettes to mix colours together and explore the different effects made.

The children have also been:

Creating their own colour sums

Using a variety of sticking materials to create their own coloured collage

Completing a science experiment (Water colour stretchy skin) and predicting what might happen next.

MoneySense
Making sense of money

Thank you to the three volunteers from NatWest's Money Sense programme who came in on Monday to run workshops with Students.

Money Sense workshops provide bank employees with volunteering opportunities that can make a difference in the community, while schools benefit from the real-life experience and expertise that volunteers can bring to young people's learning in the classroom.

Year 1&2 took part in 'What is Money', Year 3&4 enjoyed 'Super Smoothie Workshop' whilst Year 5&6 planned used their experience of the School Disco last week for 'It's Party Time'.

You can find more information about the Money Sense programme, along with age-appropriate games and resources at:

A final call please for any extra shoe box donations for 'Operation Christmas Child'. The charity will be coming to collect our boxes next week.

Mrs Devlin would love to break our record of 114; if you have not had chance to fill your box, please do so this weekend and return on Monday.
