Dear Parents

This week has flown by with an action-packed week of in class and remote learning with Zoom Lessons, work on ClassDojo and the video debuts by many of our Staff with recoded tutorials for Students and Student video uploads. Zooming in to our Year 5 Drama lesson today; it was lovely to see all of our Students working hard from home.

As well as ClassDojo, Zoom, Atom Learning, LanguageNut, Mathletics and Get Epic, we are preparing to launch Google Classroom which should bring all of our remote learning together. These tools will also be useful post-pandemic where our Staff and Students can continue to work online.

We have also enjoyed great excitement with the

'Flying Owl' in Year 1 today

Thank you to all our Parents for your lovely emails and kind words this week; we are very grateful for your ongoing support.

Next Wednesday we have our regular Governors' meetings with the Curriculum and RE and Finance Committees meeting remotely via Zoom.

We have enjoyed some lovely mild (if a little damp) weather this week with some snow in the weekend forecast.

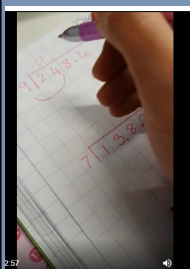

Stay safe, dry and warm whatever your weekend plans.

Ms Barry

Head teacher

Remote Learning

Students and Staff have been exploring ClassDojo and our online learning has given us some exciting opportunities for new approaches to learning remotely alongside the class.

Mrs Khan created amazing video guides to dividing and multiplying decimals

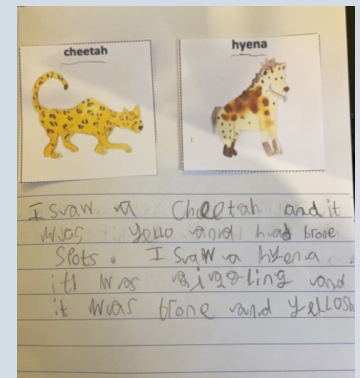

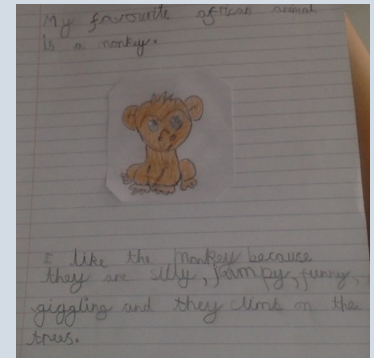

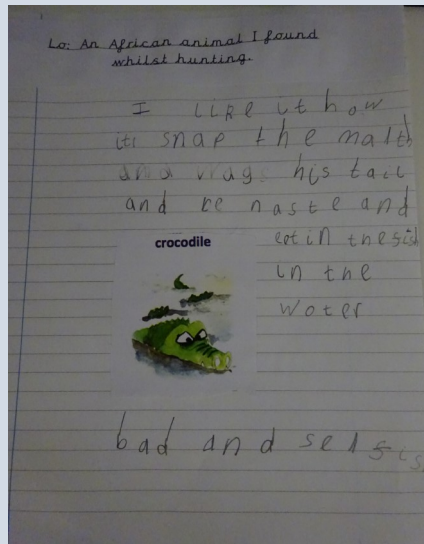

Mrs Corrigan made a series of Music videos with a variety of songs for Students learning at home

Year 6 pupils collaborated on an amazing video on The Last Supper and The New Covenant which they recorded individually and edited together.

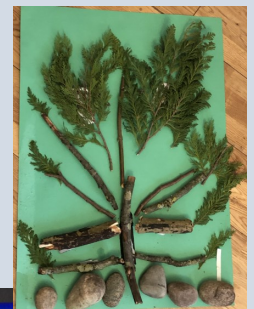

Year 1

Year 1 have been reading the poem 'We are going on a Lion Hunt'. The children at home and at school wrote some super golden sentences about their favourite animals in the Jungle!

Year 4 Sculpture

Year 4 have been creating amazing natural sculptures in class and at home inspired by the artist Andy Goldsworthy.

Nursery News

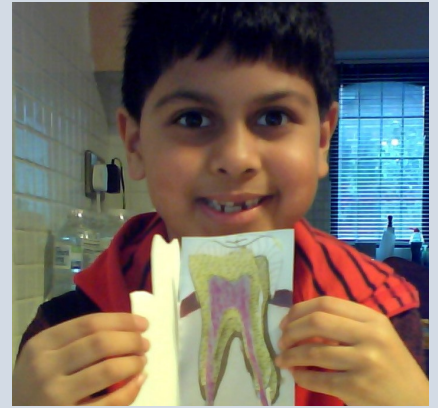

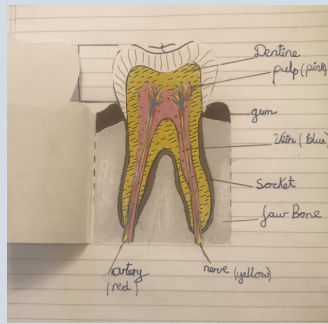

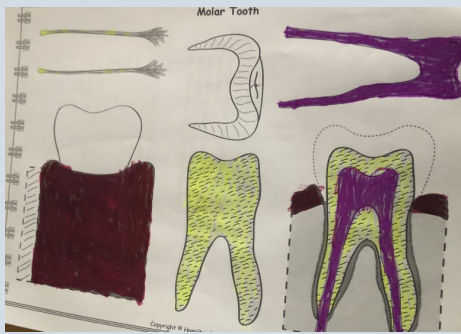

This week Nursery have continued the topic of 'Winter' and participated in lots of activities to support their learning.

They have been discussing the different signs of winter and drawing a picture to share their experiences.

The children have also been counting pictures of winter objects and completing a block graph where they took it in turns to discuss their findings.

Smile...

Year 3 have been learning all about teeth as part of their Science topic.

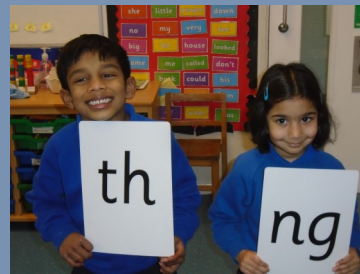

Year 2

Year 2 have been learning all about Florence Nightingale in History and have created some lovely charcoal drawings in their Art lesson.

Fun Phonics

Reception class have been exploring the sounds 'th' and 'ng' both at home and in class this week

Year 5

In Music this week one Year 5 Student performed her New Year Rap on ClassDojo while the rest of the Class kept the beat.

Year 6

Year 6 created some beautiful posters on 'the Last Supper' for RE
