Dear Parents

What a lovely bright day to end another busy week at Laleham Lea, especially after storm Christoph.

I am so proud of how all our Students, Staff and Parents have adapted to the challenge of in class and remote learning during this latest Lock Down period and I am delighted to see some of the brilliant and creative work that is being posted on ClassDojo every day. Students are working creatively and collaboratively to create videos of their own stories, complete work and support one another.

Canon Frank's funeral took place on Wednesday lunchtime at John The Baptist. It

was a beautiful service, celebrating his life just as he wanted it to be. It was a privilege to attend on behalf of all of us at Laleham Lea and to meet with his family. They know he will always be a part of the Laleham Lea family too.

Our Governors met on Wednesday evening via Zoom for our regular Governor meetings to discuss the Curriculum and RE as well as Finance and Premises matters.

There is snow forecast again this weekend; please do stay safe and warm and have a lovely rest.

Ms Barry

Head teacher

Remote Learning

Year 4 recorded themselves reading their amazing 'Fractured Fairy Tales' and posted them on ClassDojo for their classmates to see.

Year 5 have been working hard at home and have uploaded some really detailed sketches of Titanic passengers to ClassDojo.

Year 1

Mrs Khan has made lovely Keyrings for Year 1 featuring their ClassDojo 'monsters'.

These are being posted home for the Students who are learning remotely.

Nursery News

This week Nursery have been exploring our new topic 'Opposites'. The children participated in many activities to reinforce their learning including:

- Using a variety of materials to create our own 'Opposites' book and using extended vocabulary to describe different textures.
- Playing the Opposites bingo game.
- Drawing a picture to share our own experiences of Opposites.
- Carrying out an experiment to investigate floating and sinking.

Year 4

Year 4 let their imaginations run wild with their homework last week and wrote some very impressive 'Fractured Fairy Tales'.

Our budding authors combined characters from other well-known stories to create their very own brand new tales and illustrated the front covers too.

Year 6

Year 6 have been researching the work of the great British Scientist Stephen Hawking and devising an investigation into gravity.

Year 2

Year 2 have created some beautiful fruit paintings in Art Class and at home this week.

Reception

Reception have enjoyed the story 'Beegu' in class and at home this week.

Students have enjoyed writing their own stories and drawing illustrations to go with them.

Year 5

Year 5 have been enjoying 'The Lion, The Witch and The Wardrobe' and were challenged to make their own magical wardrobes for homework.

Year 3

Year 3 are enjoying studying the Romans as their History topic this term and have created amazing Roman Shields as well as their own legion of Roman Soldiers.
