Dear Parents

This week our Students, Staff and Parents have continued to rise to the challenge of Remote Learning alongside classroom Teaching for our Key Worker Students and I continue to be amazed by the fantastic work that is being produced. From videos, to PowerPoint presentations to giant robot models; well done everyone.

Next week is Children's Mental Health Week with the theme of 'Express Yourself'. Teachers will be using age-appropriate resources to help promote the importance of mental health and our well being with

their classes, both in school and remotely.

We are also planning forward to create an Easter Garden here at Laleham Lea. Thank you for arriving with flower pots this morning; these will be used to plant bulbs or flowers for the garden for all to enjoy.

Wishing you all a lovely weekend
