Dear Parents

Thank you to all our Staff, Students and Parents who have risen to the challenge of remote and in school learning in what has been a challenging and enjoyable half term.

Thank you to all our Parents for taking part in the RSE Consultation Survey; this is very much appreciated.

I continue to be impressed by all the fabulous work that is being done in school and at home; videos, photos, presentations, animations, models and much more! Well done everyone.

Thank you also to our Parents for your kind words and tokens of appreciation. They really do make a big difference to us all during this unprecedented time and keep us going.

Tuesday was Safer Internet Day and our Students have been looking closely at the dangers of the internet and

how to keep themselves safe. For more information please visit the school website which has links to further reading and resources for Parents.

Thank you all for the plant pots for our Easter Garden. It will be very exciting to see this come to life over the coming weeks.

Next Wednesday is Ash Wednesday and the start of Lent. Our usual Mass is obviously suspended due to the lockdown and half term however Mass can be attended virtually at this time. Students have been looking at the meaning of Lent in RE this week and making their Lenten promises.

Wishing you all a Happy Chinese New Year and a restful half term next week. I look forward to hopefully seeing the whole school back together safely once more very soon.

Ms Barry Head teacher

## Safer Internet Day

E-Safety is always important at Laleham Lea. This week, in recognition of Safer Internet Day 2021, Students have taken part in extra lessons on the importance of E-Safety in PSHCE and Computing lessons.

Nursery — Looked at a presentation about the internet and discussed what issues there could be.

Reception—Discussed the good and bad things about the internet and how to keep themselves safe online.

Year 1—Looked at the different terminology connected to using the internet and staying safe.

Year 2—Looked at staying safe online and made a poster.

Year 3—Created their own Internet Safety posters.

Year 4—Watched a video on the problems young people encounter online and discussed Social Media platforms, their age restrictions and why this is important.

Year 5—Created E-safety posters for keeping their information private online.

Year 6—looked at safe friendships online, information that should never be shared online, as well as deciding on safe usernames and ways of creating secure passwords.

## Remote Learning

Year 1 have been enjoying their Zoom lessons this week including the 'Cloud' Science experiment and clapping for their own Super Hero Parents and Carers!

Well done to our Year 4 Student who uploaded a brilliant step-by-step video on how to make Millionaires Shortbread to the Class Dojo page. Looks delicious!

Year 5 have created their own theme parks and one student used an animation programme to make their own advert to promote 'Goat Lord Theme Park'.

Year 6 have uploaded photos and videos of their amazing smoothie creations and advertising campaigns

## Year 1

Year 1 had a great time making their own 'clouds in a jar' as part of their Science topic this week.

## Reception

Reception have been very busy this week learning about Internet Safety, making their own rockets out of 2D and 3D shapes (and testing them) and celebrating Chinese New Year by making their own lanterns and beautiful calligraphy.

## Year 4

Mrs Khan loves this amazing digital class picture that was created by one of our Year 4 Students and features the whole class as well as Mrs Khan working hard at her desk!

## Year 6

Year 6 have been working on an advertising project this week. They have designed and made a smoothie product for a specific market, written a press release, designed a poster and TV advert and written a persuasive letter to a supermarket.

## Nursery News

We have been very busy in Nursery this week and have continued to explore the topic 'Transport'. This has also been extended to learning about road safety and we looked at 'Chinese New Year' as well as writing our name in the snow and exploring some footprints.

The children enjoyed:

- A cutting and sticking activity where they placed the transport pictures into size order. We discussed different sizes and gave examples extending our mathematical language.
- We have been looking at road safety and using role-play to demonstrate how to cross the road safely on our painted Zebra Crossing.
- The children were very keen to receive their road safety certificate and share their experiences with their peers.
- The children also listened to 'Super cat road safety' and discussed the story.

- Looking at 'Chinese New Year'. The children have been learning how to say 'Happy New Year' in Chinese, attempting to copy and write numbers in Chinese and listening to music.

## Year 2

Year 2 made these amazing clay fruits in Art this week. They look good enough to eat!

## Year 5

Year 5 have been creative this week making their own E-Safety posters urging people to keep their information private online, creating leaflets to advertise their own theme parks and making their own 'Stations of the Cross'.

The class also continue to work hard on their Art projects at home and in school

## Year 3

This amazing robot dragon was created by our Year 3 Student who was inspired by the book 'The Iron Man'.

Loving God, rewarder of the humble, you blessed St. Josephine Bakhita with charity and patience. May her prayers help us, and her example inspire us to carry our cross and to love you always. Pour upon us the spirit of wisdom and love with which you filled St. Josephine Bakhita. By serving you as she did, may we please you by our faith and our actions. Grant this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen
