# LALEHAM LEA

Catholic Independent Primary School for boys and girls aged 3-11 years  
29 Peaks Hill, Purley, CR8 3JJ. 0208 660 3351  
www.lalehamlea.co.uk email: secretary@lalehamlea.co.uk

Dear Parents

We have been blessed with the summer sunshine this week which has provided for a lovely start to the summer term.

Our Virtual Parent Consultations have been held this week across the school and will continue next week as well.

Clubs will recommence on Monday; hopefully you have had a chance to choose a club for your child/children to enjoy after school.

Our Peri Music Teachers are also available for additional teaching in Piano, Flute, Clarinet, Saxophone, Trumpet, Trombone and Guitar so do contact the School Office if you would like to book these lessons.

With the pandemic restrictions and Lock Down we have tried to create a wonderful environment for our Students on entry to school. Our autumn term welcomed our 'Winter Wonderland', spring term the 'Easter Garden and we plan to create a summer 'By The Beach' scene this term. If any Parents would like to donate a suitable item please do let Mrs Edwards know so that we can start to build our new scene.

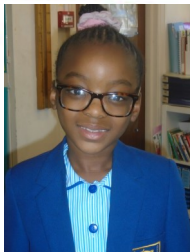

Thank you for your support in adhering to all our Health and Safety measures which remain in place.

Wishing you all a happy weekend

Ms Barry

Head teacher

## Stars of the week

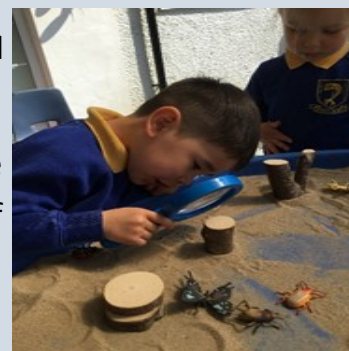

## Nursery News

This week Nursery have been exploring the topic of Mini-Beasts and have recently been discovering different changes that take place.

The children have started to take part in a journey, learning about the life cycle of a caterpillar where they have had first hand experience of viewing the caterpillars each day and discussing their progress.

We have also been:

- Listening to a story 'The Very Hungry Caterpillar' and answering questions to reinforce our understanding.
- Learning a new word 'Symmetry' and learning the concept of this.
- Using paint and a variety of materials to create our own mini-beast pebbles.
- Investing the tuff tray with mini-beasts, sand and magnifying glasses.

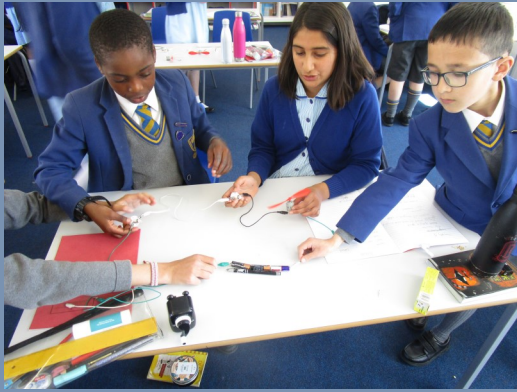

## Reception

Reception have been looking at different Fairy tales in Literacy this week and have made their own crowns to be Kings and Queens!

## Year 6

Y6 have been making series and parallel circuits in Science this week.

## Year 2

In Science Year 2 are learning about Living Things and their Habitats. During the Easter break the children created some lovely shoe box habitats in preparation for our new topic!

## Year 3

Year 3 have been planting seeds as part of their Science topic on 'How things Grow'.

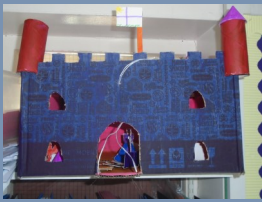

## Year 5

Year 5 have been learning about Ramadan in RE and have made their own 'fact files' for our corridor display.

## Year 1

Year 1 have produced some fantastic castles as part of their Easter Art and DT projects. They presented their castles to the class and discussed the features and their purpose. Well done Year 1 on a fantastic effort!

## Year 4

The next entrepreneurs from Mrs Khan's Den!

Year 4 have designed their own chocolate bar, calculating the cost of production as well selling prices and profit margins.

They managed to impress the 'Dragons' during their final pitches where they shared calculation costs, ingredients as well as a design of their chocolate.

All three Dragons were happy to invest in the winners COCO CRUNCHIES who have now started producing ready for sales!
