Friday June 18th 2021

Dear Parents

The rain has finally helped to cool things down a little in what has been a very hot and humid week.

We returned to 'Fun Fridays' with Fitness and Sports' Wear' today and everyone has enjoyed showing off their favourite team colours and sports' wear. Let us hope the sunshine returns for our 'Summer Outfits' day next Friday.

Year 5 have created a great display on the NSPCC 'Speak out, Stay Safe' campaign and received a certificate this week for their

hard work.

The pandemic has meant a halt to all PTA activity but we are keen to start planning for 2021/22 and there is a 'Virtual PTA' Zoom call taking place next Tuesday at 5pm. Do let the School Office know if you would like to join.

Wishing you all a lovely weekend.

Ms Barry

Head teacher

Stars of the week

Year 1

Continuing to study our Author of the Month Eric Carle, Year 1 delved deeper into the Very Hungry Caterpillar and found some very interesting answers to their questions through a hot seating session. We had a great variety of questions asked with some very amusing answers!

Year 6

Year 6 have worked so hard to research, write and memorise a 'lecture' on the subject of their own choosing. They have also prepared a slide presentation to accompany their speech.

Year 2

In Computing Year 2 used a range of tools in a computer program to recreate a style of art inspired by Piet Mondrian

Year 5

Year 5 received a certificate from the NSPCC for their work in PHSCE, including this great display.

Year 4

Year 4 have been taking their Maths to the next level learning how to draw triangles using a pair of compasses.

Reception

Reception learned about making healthy food choices and made own lunchboxes during healthy eating week

Year 3

Year 3 created their own Football Pitch Coordinates this week as part of their Maths' topic.

Nursery News

This week Nursery have been exploring the topic 'Measurement'. We have been:

- Viewing a power point 'introducing measures'. We shared examples, reinforcing and introducing new mathematical language.
- Investigating Teddy's towers, we used the maths cubes to measure from the shortest to the tallest.
- Exploring the word 'Capacity', understanding that this is the amount that something holds.
- Investigating different sized containers in the water tray pouring water. In small groups, we looked at full, half-full and empty.
- Investigating some scales and different objects around the room, taking it in turns to measure them and discussing about 'Heavy' and 'Light' as an extension, we completed a sticking activity to reinforce our understanding visually.

Contact the School Office on: 0208 660 3351 (Option 2) or email secretary@lalehamlea.co.uk

YOUR PTA NEEDS YOU!

As you are aware the pandemic has prevented any PTA activity and events this year with Parents unable to be on site for Health and Safety reasons.

We are keen to start planning ahead for 2021/22, restarting our PTA with your help and assistance.

Mrs Kielinger has kindly agreed to resume her previous role as Chair Person on a temporary basis until we get things up and running again next year, but we will need a Vice Chair, Treasurer, Marketing/Fundraising Lead and Class Reps to help plan fundraising activities and events for Students and Parents to enjoy

To get the ball rolling, a Virtual PTA Zoom Meeting is taking place at 5pm on Tuesday June 22nd, please contact the School Office for login details.
