Dear Parents

The LAMDA examiner was with us once more today for our second set of LAMDA exams this term. Well done to all those students who have prepared for and taken the exams; today; we look forward to hearing of your success.

Next week we will be welcoming our Governors on site for the first Governors meetings since Covid restrictions were imposed. They are very much looking forward to seeing all of the students' hard work, especially our beautiful displays around the school for the Month of Mary.

Today we celebrate the Feast of Our Lady of Fatima, the anniversary of the apparition of Our Lady to three shepherd children in the small village of Fatima in Portugal in 1917 and class assemblies this morning have focused on this.

We are still busy with tours and visits; thank you to all our Parents for recommending Laleham Lea to your friends.

Ms Barry—Head teacher

Nursery

This week Nursery have been looking at the topic 'Dinosaurs'. The children have been watching a short clip about fossils, they then used some clay to create their own fossils.

The children have been using extended vocabulary and learning new words and meaning, such as 'carnivore' and 'herbivore'.

Nursery have also been reinforcing their maths skills by matching number and quantity and listening to a story called 'Hide-a-saurus' where they had to work in small groups to put the story in order using picture cards.

Reception

Reception Class have been learning about Even Numbers in Maths this week. They have done a great job ordering themselves. Well done Reception Class!

Reception

Reception children have been learning about the Month of Mary and have enjoyed writing prayers and drawing pictures for Mary.

Year 1

Year 1 wrote alternative endings to 'Hansel and Gretel' this week as part of their Literacy topic.

Year 2

Well done to our Year 2 pupil who plays football for Forestdale under 7s—the Tandridge League champions 20-21/22!

Year 2

This week Year 2 made some beautiful Habitat posters as part of their current Science topic.

Stars of the week

Year 3

Year 3 made some amazing head dresses as part of their topic on Egypt.

Year 4

This week Year 4 have spent time reflecting upon Mary and why God chose her amongst all women. They have written incredible blogs in honour of her, to tell the world how special she is.

Year 5

Year 5 have written their own witches' spells inspired by Macbeth for this great display.

Year 6

Some students in Year 6 created an amazing 'Minecraft' world showing coastal landscapes.

They used their knowledge of various rock types and structures to show a coast that included bays, headlands, an arch, cave, stack and a stump. They worked collaboratively to create and edit a fantastic video and presented it to the class.
