## Nursery

This week Nursery have been looking at the topic 'Numbers'. The focus has been on numbers from 1-10, however this has also been extended from 1-20 too. The children participated in a range of activities to reinforce their understanding and their Mathematical vocabulary including:

- Counting the objects and colouring in the correct amount.
- Looking at the meaning of 'plus' and how to make your own short maths sentence.
- Listening to the story 'Clive the Bear' and discussing the structure of the story.
- Using the Maths cubes and prompt cards to create numbers. Extending this with measuring different heights of objects by counting the cubes and explaining how many cubes tall the object is.
- Reinforcing turn taking and counting, playing 'Snakes and Ladders'.
- Exploring the playdough and attempting to put numbers into the correct order from 1-10.

## Reception

Reception Class have been busy again this week. In Literacy, we continued to increase our knowledge of 'Prepositions' whilst enjoying the story 'We're Going on a Bear Hunt'. We also explored literacy patterns and repetition in the text, then created actions to go with the story with role play of some scenes.

In Maths, we challenged ourselves by partitioning numbers to create number bonds and also learnt about commutative calculations.

We also made poppies and created a wreath to remember the very brave Service Personnel and their families on

Remembrance Day.

## Year 1

This week In Art, Year 1 created some excellent Hedgehogs out of clay, for our Autumn topic.

## Year 2

Year 1 made some colourful Monet inspired pictures in Art this week as part of their Remembrance Day display.

## Year 3

Year 3 wrote their own beautiful and heartfelt Poppy prayers for Remembrance Day which have formed part of this display for our Long Room.

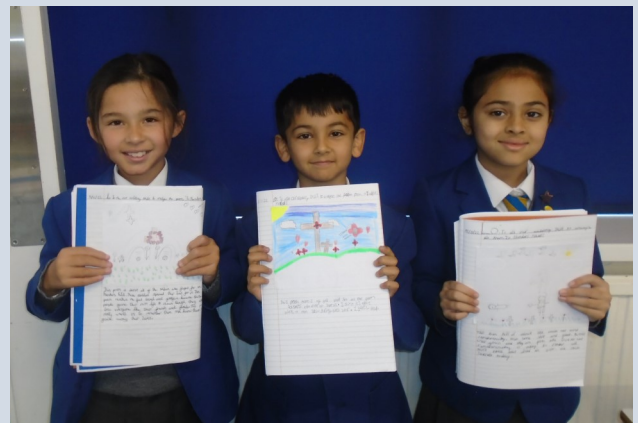

## Year 4

This week Year 4 have written their own Remembrance Prayers as well as diary entries from the perspective of a WWI soldier.

## Year 5

Year 5 spent time reflecting on the poem 'In Flanders Fields' this week and wrote up a detailed analysis.

## Year 6

This week Year 6 have been using the Drama technique of Tableaux to explore Act I of 'Romeo and Juliet'.
