Dear Parents

I cannot quite believe we are almost at the half way point of the spring term.

This week in our class assemblies and Liturgies students learned the importance of setting an example and sharing God's love through acts of kindness.

Our School Council met this week with Ms Ladio to discuss their plans including ideas for the pond and nature trail areas.

Our Equality, Diversity and Inclusion working party also met this week with Mrs Khan to

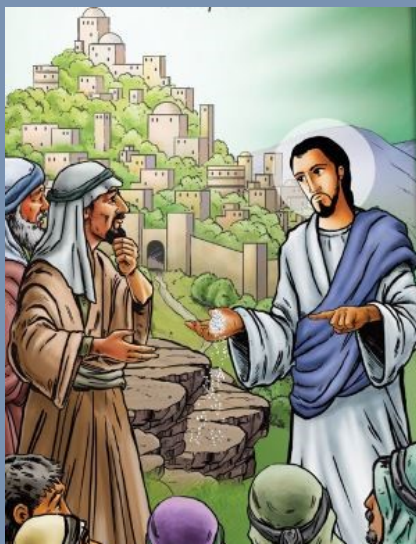

explore ideas and next steps.

Our Year 6 students are very excited about their PGL trip next week. Thank you to Mrs Shah and Mr Fuentes for accompanying what is always an enjoyable and memorable trip. We cannot wait to hear all about their adventures when they return.

Wishing us all a restful and hopefully sunny weekend.

Ms K Barry

Head teacher

Matthew 5:13-16

Jesus said to his Disciples: "You are the salt of the earth. But if salt becomes tasteless, what can make it salty again? It is good for nothing, and can only be thrown out to be trampled underfoot by men. You are the light of the world. A city built on a hill top cannot be hidden. No one lights a lamp to put it under a bowl; they put it on the lamp-stand where it shines for everyone in the house. In the same way your light must shine in the sight of all people, so that, seeing your good works, they may give the praise to your Father in heaven."

Nursery

This week the children have been learning about different types of transport, including:

- Using a variety of junk modelling materials to create our own mode of transport and discussing how and where we could travel.
- Listening to the story 'The School Bus Trip', discussing the story and its characters and answering questions.
- Playing the 'I Spy' counting game and using a number line to help identify how many different modes of transport can be seen.

Reception

This week in Literacy, we have been reading the story of 'Beegu'. We wrote about what happens in the beginning, middle and end of the story. We also discussed what the dilemma in the story was.

For our topic this week, we have been learning about the seasons, with a focus on winter. We made mixed-media matching hats, scarves and gloves and labelled them. We also learned about animals that hibernate during wintertime and why they do this. In Maths we have been learning the number that is 'one more/two more', and 'one less/two less' than a given number. We used number tracks and dominoes to support our understanding of a number's position in the number sequence.

Year 1

This term in RE, Year 1 have been learning about the different objects found in a Church. They played a fun interactive game to test their knowledge this week.

Year 2

Year 2 made and painted some amazing clay fruits in Art this week.

Year 3

Year 3 have been creating Eco-themed posters to encourage recycling.

Year 4

Year 4 have studied Act 1, Scene 5, from 'Hamlet' and have written and performed play scripts. From amidst the darkness emerges the ghost of Hamlet's father, rousing Hamlet to avenge his death, a 'foul and most unnatural murder'.

Achievements

Well done to our Year 2 Student who donated an amazing 11 inches of hair to The Little Princess Trust who make 'real hair' wigs for sick children.

Well done also to our Year 4 Karate Champion who won the 'Student of the Week' trophy at her Karate Class this week!

Year 5

Year 5 have been learning about the importance of kindness this week in RE and PSHCE and designed their own membership cards to the 'Jesus Club of kindness'.

Year 6

In Science Year 6 are learning about Biodiversity and how to maintain a successful ecosystem where balanced existence of all living creatures is key.
