Dear Parents

What an absolutely fantastic year we have enjoyed together.

This week we were delighted to welcome Father Peter who joined our Junior students to celebrate a beautiful Leavers' Mass in the Long Room.

Our Year 6 Leavers have also enjoyed their Leavers' Assembly and party yesterday; we wish them all the very best as they continue their journey on to Senior School.

At the opposite end of the school journey our youngest new Nursery students joined us for their 'settling session' on Monday; we look forward to them joining the Laleham Lea family in September.

As we continue our Eco School project, Carol Cocks from the Nation Trust joined us in assembly on Tuesday to talk about the importance of keeping rivers and our environment clean. Ms Ladio has also written to our local MP Chris Philp on behalf of the school to continue the focus on protecting earth.

Wishing us all a lovely summer and a well-earned rest.

Looking forward to September, Staff return for Inset Days and CPD on September 1st and 4th, with the students back on September 5th.

Ms K Barry

Head Teacher

Congratulations and good luck to our Year 6 Leavers who we bid a fond farewell today. They have achieved amazing things already and we know they have much more to come.

Reception Class Memories...

Matthew 11:25-30

Jesus exclaimed, "I bless you, Father, Lord of heaven and of earth, for hiding these things from the learned and the clever and revealing them to mere children. Yes, Father, for that is what it pleased you to do. Everything has been entrusted to me by my Father; and no one knows the Son except the Father, just as no one knows the Father except the Son and those to whom the Son chooses to reveal him. Come to me, all you who labour and are overburdened, and I will give you rest. Shoulder my yoke and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. Yes, my yoke is easy and my burden light.

Eco School

In assembly this week we were visited by Carol Cocks from the National Trust who told us how we can help to keep rivers clean and the devastating impact litter can have on the environment.

Our Eco School Award submission has been finalised and we look forward to receiving our accreditation in time for the new school year.

Nursery

This week Nursery have been listening to a story and discussing all of our memories in Nursery so far. We also enjoyed using the colouring pencils to draw a picture of all our favourite activities in Nursery.

A huge thank you to all of our Nursery Parents for your continued support, it has been such a pleasure to work with your children this year. *Miss Hogsden and Mrs Ivanovna.*

Year 1

In PSHE, the children in Year One have been learning about kindness towards each other. They designed beautiful friendship flowers to demonstrate their learning.

Year 2

Year 2 have enjoyed watching their seeds grow into plants as part of their Science topic. Well done Year 3!

Year 3

In keeping with Father Peter's messages during Mass this week about loving each other, Year 3 have created loving hearts to express their love of others.

Year 5 have created these amazing 3D portraits of Henry VIII in Art this week as part of their History topic of the Tudors.

Swim Champ!

Well done to our Year 2 Swimming Champion who got all these certificates for her swimming this year.
