Laleham Lea

A Catholic Independent School for boys and girls aged 3 to 11

29 Peaks Hill, Purley, Surrey, CR8 3JJ

Tel: 0208 660 3351 Email: secretary@lalehamlea.co.uk Web: www.lalehamlea.co.uk

Dear Parents

What an action packed week we have enjoyed this week with incredible performances of 'Pirates of the Curry Bean, 'The Bee Musical' and 'Jack and the Beanstalk'. It was lovely to see so many parents, grandparents and other family members supporting our students.

Tomorrow we have our much-anticipated PTA Summer Fair from 11am-2pm in the playground. We do hope you can join us, (and help out where you can) to help make this the best fair ever! We have stalls, food, games and our coloured hamper raffle as well as class-run stalls which are raising money for CAFOD. A huge thank you to our PTA and everyone who has helped or volunteered to help so far.

Next week we are looking forward to our Year 6 Leavers' Assembly, party and Mass. The whole school (Reception- Y6) will be attending the Mass at John Fisher's chapel on Tuesday at 11.15am. We do hope you can join us.

Looking forward to a fabulous day at the summer fair tomorrow.

Mrs Reece

Headteacher

- July 2nd—Catholic Schools' Junior Athletics—selected students
- July 3rd—Catholic Schools' Infant Sports' Day—selected students
- July 4th—term end 12.15pm

PIRATES of the CURRY BEAN

THE CATHOLIC LIFE OF THE SCHOOL

Our Celebration of the Word assembly this week took place in our classrooms and celebrated the Solemnity of Corpus Christi. In the Gospel, we heard about the amazing moment when Jesus fed 5000 people with two loaves and five fish.

Gospel Values

Well done to this week's Gospel Values award winner for showing our values of **Compassion, Gentleness, Justice, Love, Forgiveness** and **Hope**

Mass on Tuesday

Our Year 6 Leavers Mass takes place at 11.15 next Tuesday at The John Fisher Chapel. Students from reception to Y6 will be attending. Parents and families are welcome to join us for our last Mass of this academic year.

EYFS Play—Jack and The Beanstalk

Nursery

This week Nursery have been exploring jungle animals. The children enjoyed participating in a range of activities including:

- Placing the jungle animals in size order and learning the term 'big', 'small', 'bigger', 'smaller'. For differentiated work, some children were encouraged to complete complicated puzzles.
- Using the jungle pictures provided, and a variety of paint to create our own jungle scene.
- We also listened to the story 'Ronald the Rhino' and thought about alternative endings.

Reception

We've enjoyed a fantastic penultimate week of term highlighted by our wonderful summer production, Jack and the Beanstalk. The children put on a fantastic show with the most amazing singing, dancing and acting - a huge well done to all! (See pictures on previous page)

We revisited our topic about planting and growing, learning all about how to grow a plant from seed. We enjoyed planting our own sunflower seeds to take home at the end of term - with some having already germinated!

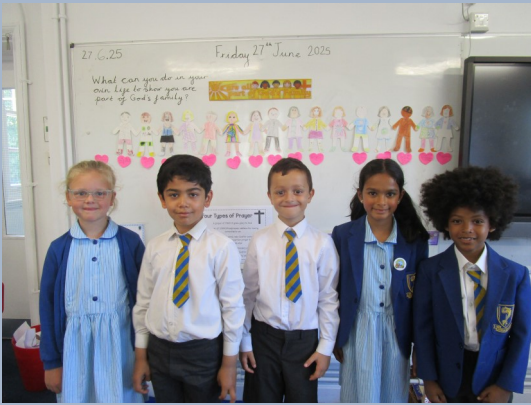

We have begun learning about the work of the brilliant artist, Vincent Van Gogh, and cannot wait till next week when we will be painting our very own Van Gogh inspired sunflowers!

Year 1

This week Year 1 enjoyed performing a role play of 'The Wedding Feast at Cana' where Jesus turned water into wine.

Year 2

In RE children have been talking about being part of God's family and how they can show this in their own lives.

The Bee Musical

Year 3

In English, Year 3 have been describing settings. We have compared a setting from our class text 'Belonging' and a contrasting picture from a painting.

Year 4

This week during PSHE, Year 4 have invested time in understanding that rights come with great responsibility. They carefully examined The UN Convention on the Rights of the Child (UNCRC). Mrs Khan was deeply moved by the conversations and reflections sparked by the class, and the vital importance of understanding that these rights impact children's lives and well-being. They even requested a copy!

Year 5

Year 5 have been creating their own posters on Sikhi religion. They have included facts, pictures and other interesting information.

Year 6

Some Year 6 mathematicians have been looking at real life applications for trigonometry. They have made clinometers, an instrument used for measuring angles of elevation or slope of an object relative to the ground. They used them to calculate the approximate height of our school.
